Dear Mr. Soos,

Congratulations! You have taken a major initial step toward achieving your **ISO 9001:2015** goals.

Your selection of an accredited **ISO 9001:2015** registrar signifies that your company is serious about attaining certification by the third quarter 2017. This most important decision brings your firm one step closer to demonstrating its commitment to quality and proving to your customers that Eagle Quality Components can meet their standards.

Upon completing the registration process, you will be issued an official certificate bearing the seals of the appropriate accrediting bodies. These could potentially be used by your company for advertising, promotional literature and stationery.

Thank you for choosing Perry Johnson Registrars as your official **ISO 9001:2015** registrar. Should you have any questions between now and the time of your assessment, please don't hesitate to call. Please note that this document is not valid after September 2017.

Sincerely,

President
